## POLICY & PRACTICE FORUM

Engaging Fathers to  
Build Strong Families  
& Communities

CALL OR REGISTER ONLINE:

**401-467-6855**

[psnri.org/rifi-forum](http://psnri.org/rifi-forum)

We are inviting fathers, state policy makers, community providers, and families to join us and hear from fathers, community providers, and state interagency leadership. We will seek input and recommendations to update our state action plan, legislation, and share strategies for us all to engage and work with fathers so that their children and families thrive and reduce the disparities that exist.

We will serve hot breakfast!
