Prevention Month Toolkit 2021

Each year in April, Prevent Child Abuse Rhode Island (PCARI) teams up with Prevent Child Abuse America and its national affiliates to amplify a clear call to action that motivates the prevention of child abuse and neglect in April and throughout the year. This year the theme is **Growing a Better Tomorrow for All Children, Together** with the main message:

Every day, we help
positive childhood
experiences take root.

This virtual toolkit includes tips, tricks and ideas to bring awareness to prevention of child abuse and neglect and resources with the goal of supporting families and putting families first.

How to use this toolkit:

Be creative and use this kit to best support your impact and mission around child abuse prevention. You have permission to use the materials in any way you see fit; feel free to customize. Share your activities on social media! Make sure to tag @PSNRI and use hashtags #GrowingBetterTogether #CAPMonth #SeedsOfLoveRI

In 2021 we'd like you to think about childhood as growing a garden:

- Children are locally grown. We work together to cultivate relationships, connections, and environments that help every child thrive.
- We harvest what we sow. We plant seeds of support for all children to yield healthier adults with abundant futures.
- Our work is rooted in science. We know positive childhood experiences in nurturing environments provide fertile ground for physical and mental health, learning, and social skills to flourish.
- We unearth the possibilities. We focus on innovation every day to give every child what they need and to build bountiful, safe communities.
- Planning and purpose create common ground. We share resources equitably, expand access to services, and balance conditions for positive childhood experiences to enrich every community.
- We tend and replenish the soil. We offer homegrown solutions and hardy support to protect what we grow in all elements.
- Hope and commitment are powerful fertilizers. We combine the promise of a better tomorrow with our resolve to nourish all children and their families in every season.

Planting Seeds of Love

Use hashtag #SeedsOfLoveRI on social media

In line with this year's Prevent Child Abuse America's April prevention campaign theme, **Growing a Better Tomorrow for All Children, Together**, we are promoting planting seeds of love. We will spread seeds of love by sharing free packets of seeds for planting across the state!

PSNRI PCA Chapter would like to partner with families, early care providers, schools, community, and state agencies to plan covid-friendly activities with children, students, and families. Learn more about how we can partner and plant seeds together for a better tomorrow.

Check out these fun videos for some kid-friendly inspiration:

Planting Seeds of Love

Continued...

During the month, gather for some planting fun with your household. PSNRI will have seeds available for families to plant Forget Me Knots.

Please contact Melissa Esposito m.esposito@psnri.org to arrange a pickup time or to learn how to be involved in our premiere activities.

The ECEC at the JCC will host a planting event for the children enrolled in their programs with a Live Zoom story time!

PCA RI is also partnering with New Era Enrichment Academy to dig in the dirt, plant, share a snack and read some stories!

Hope Recovery Center and PCA RI will partner with Clark Street Daycare to beautify their centers and create positive childhood experiences!

Please join us throughout April in planting the seeds of a better tomorrow for children and families in our communities. Together, we can prevent child abuse, America... because childhood lasts a lifetime.

We can still grow a better tomorrow for all children, together, while being apart. Check out the RI Statehouse on Monday April 12th, as it will be lit blue to bring awareness to the prevention of child abuse and neglect. As a community we can work together to create a state where our children grow and flourish. We tend and replenish the soil. Offering homegrown solutions and hardy support helps us protect what we grow in all elements. Learn how you can plant the seeds of a better tomorrow.

Virtual Workshop with National Presenter - Claire Louge, MEd,
Executive Director of Prevent Child Abuse Arizona

Life is full of challenges - big and small. Whether we're facing major loss or just some atrociously bad traffic, life is constantly offering us opportunities to practice resilience. This one-hour, virtual training will focus on what it means to be resilient, and the qualities and practices that predict a person's ability to thrive despite, or perhaps because of, challenges.

Claire Louge is the Executive Director of Prevent Child Abuse Arizona, a statewide non-profit organization dedicated to strengthening families and protecting children through collaboration, education and advocacy. Claire obtained her Bachelor's degree in Human Development from Cornell University and her Masters of Education in Human Relations from Northern Arizona University. Claire is also certified by the National Alliance of Children's Trust Funds to teach the Strengthening Families™ Protective Factors Framework, and an authorized Stewards of Children® facilitator. She is a graduate of the American Express Leadership Academy, and has a Certificate of Nonprofit Executive Leadership from the ASU Lodestar Center. She is also an AmeriCorps VISTA alum. Claire volunteers her time by producing theatrical role-playing adventure events for teens.

Every day, we help positive childhood experiences take root.

PINWHEEL COLORING SHEET

MAKING YOUR OWN PINWHEEL

Here's a craft project that will allow children a chance to participate in your community's **Pinwheels for Prevention** activities. This activity can be used in schools, daycare centers, after-school programs, church groups, etc.

Materials

- a push pin
- a square piece of construction paper (about 8.5" x 8.5")
- a sharpened pencil with eraser
- scissors

Procedure

1. Lay the square paper flat on a table and draw a line diagonally from each corner to the opposite corner.
2. Mark the center of the square where the two lines cross and punch a small hole through it with the pencil tip.
3. Next, cut along each line stopping about an inch from the hole in the center of the square.
4. Take the pin and punch a hole in the top left corner of each of the four flaps. (No two holes should be next to each other.)
5. Pick-up a flap at a punched corner and carefully curve it over toward the center hole, securing it with the pin.
6. Repeat this for the other flaps.
7. When all four flaps are held by the pin, carefully lift the paper without letting the flaps unfurl.
8. Lay the pencil flat on a table and carefully push the point of the push pin into the side of the eraser.
9. Now your pinwheel is complete and ready to go. Pick-up the pinwheel near the pencil point and let it catch the wind.
